## National Library Week at WCPL

Do you love your library? Are you excited about all that the library offers for children, teens, and adults? Do you agree that libraries help to make communities stronger? Then come celebrate National Library Week April 8-13!

There will be lots of exciting programs happening at the library during National Library Week. Some of these include: Needle Felted Kitties with Rachel Kruger, a visit from a James Whitcomb Riley Impersonator, a children's Escape Room, Greyt Readers and more! See our calendar for dates and times. Also, every time you check out items during this week, you have a chance to WIN a FREE 5 hour printing session on the library's 3D printer! Plus, don't forget – we will be serving free popcorn in the lobby every day from 2:00 – 4:00 pm!

WCPL is proud to announce the theme of this year's National Library Week celebration: "Libraries equal Strong Communities". We love our community and believe that by working together we can all help create a better world – starting with Warsaw, Indiana! — *Anna Jackson*

## History of National Library Week

April is the time to celebrate libraries and the contributions they make to their communities. National Library Week is a national observance that is sponsored by the American Library Association. The first NLW was in April of 1958 with the theme "Wake Up and Read!" This celebration was such a hit that in 1959 the ALA council voted to continue the annual celebration.

A theme is selected each year to celebrate National Library Week. The 2019 dates are April 7-13 and the theme is "Libraries=Strong Communities". If you want to support libraries on social media use hashtags #NationalLibraryWeek, #LibrariesTransform. Head to the library to see what's new and take part in the celebration!—*Missy Chapman*

## James Whitcomb Riley Impersonator at WCPL

James Whitcomb Riley, was an American writer, poet, and best-selling author. During his lifetime he was known as the “Hoosier Poet” and “Children’s Poet” for his dialect works and his children’s poetry. Danny Russel will be doing an impersonation of James Whitcomb Riley, April 10, 2019 at 6 pm at the Warsaw Community Public Library. This is a free event, but please register so that we can be sure to have enough seating.

Danny Russel was cast in an original play, commissioned by The Children’s Museum of Indianapolis, celebrating the life of our legendary “Hoosier Poet” back in 1997. After performing for several months, leading to years, Danny Russel decided to take his act on the road as an impersonator of James Whitcomb Riley. Danny Russel will share amusing shenanigans, dances on the medicine show, Riley’s success in the newspaper and on the lecture circuit, tours with Mark Twain (Who called Riley “the best comedian in America”), performing his best-loved pieces (The Raggedy Man, When the Frost is on the Punkin, Little Orphan Annie) and will take requests. Learn about Riley’s connection to Raggedy Ann, the founding of Riley Hospital and celebrate National Library Week and National Poetry Month. Danny Russel and his wife Teresa live in Indianapolis. — Denise Keller

## A Heart in a Body in the World by Deb Caletti : Book Review

A Heart in a Body in the World is the story of Annabelle, a high school student who has experienced a horrible tragedy and is having immense trouble dealing with it. Because of this, she starts running (literally), and keeps on running for 2,700 miles. Even if you are not a runner or a fan of running, this book will pull you in. It gives a great picture of dealing with grief and finding hope after tragedy. Anabelle's character is very well written and relatable, and so are all the side characters; they all felt real and had depth.

This book is a terrible, beautiful, anger-inducing, and hopeful read, as well as being an addicting page-turner. Deb Caletti's writing is poignant and beautiful. Be prepared to underline, highlight, or take notes as you work your way through it. Also, be ready to feel a vast range of emotions--this book will floor you.—*Michelle Parker*
