What is FOL?

The Friends of the Warsaw Community Public Library is a nonprofit corporation who supports the library through advocacy, philanthropy and volunteerism.

What does FOL do?

The purpose of Friends of the Library is to raise community awareness and promote WCPL as an educational, informational, and recreational foundation. FOL provides financial support for appointed purchases and programs not allocated in the library budget.

The Puzzle Place, a popular location started by FOL, is enjoyed by children and adults. Fundraisers, managed by volunteers, embrace multi-size book sales, associated notable activities and promote strong membership. FOL supplies funds for the WCPL annual Wish List, recognition of library staff during National Library Week and Santa Day, a festive special program planned by Children's Services.

The library can never have too many Friends.
