# Registration

Register using the Beanstack app, the library website, or in person.

**If you've participated in Winter or Summer Reading with us before, just log in to your Beanstack account and check the box for Summer Reading.**

**If you are new to the program, scan the QR code to pull up the Beanstack app on your phone or tablet.**  
Or go to [warsawlibrary.beanstack.org](https://warsawlibrary.beanstack.org) to get started.

**Did you have a birthday or change grades in the last 6 months?  
Please update your reader profile in Beanstack to see your current  
Summer Reading Challenges available.**

If you registered at the Children's Desk and now want to log pages online:

Login using your full name with no spaces (e.g. [percyjackson](#)) as your username and [beanstack](#) as your password. You may then edit your profile and change your password or username as needed.

# Rules

**1 page = 1 minute**

**Select pages every time in Beanstack no matter how you decide to track your reading.**

Participants may log pages/minutes from books and audiobooks. If 41 pages of a 247 page book are read, then 41 pages should be logged. If you read a book more than once, you may count it each time.

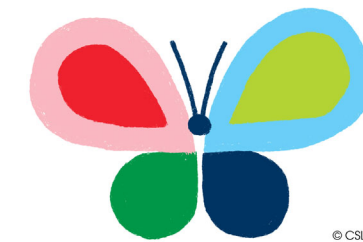

We encourage you to read at your level and to challenge yourself with different genres and higher reading levels.

Siblings may read aloud to each other and both count the pages/minutes. Adults/Teens may also count the read aloud books for their reading challenge totals.

# Prizes

## Grab Bag Prizes

-  While quantities last. Includes toys, candy, and coupons.
-  Earn a grab bag prize at multiple page totals including 200, 400, 600, and 800.
